

# Ergonomics

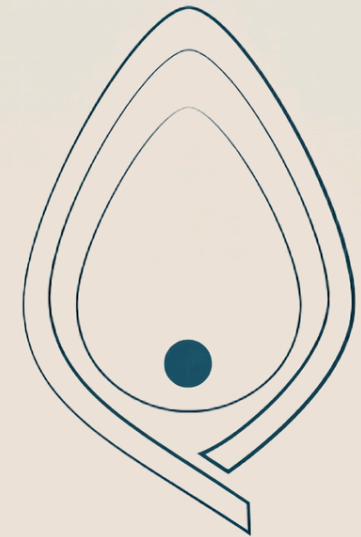

Guide to upright posture that promotes active presence, supports the spine without effort and opens the diaphragm

# Design

A design that combines the aesthetic elegance of the calla lily with the spatial wisdom of Feng Shui.

# Neuroscience

ZENZONE Neuroscience transforms space into a mental ally, using neuroscientific principles to facilitate consistency.

**ZENZONE**

Udine (UD)

ITALY

## Symbolism

A design that blends masculine support with feminine warmth, embodying the perfect harmony between polarities.

## ZENZONE

welcomes your body  
gives space to your soul  
develops your spirit

## Golden Ratio

Immerse yourself in the perfect geometry of nature: ZENZONE follows the double Golden Ratio for deep resonance.

## Crystal Therapy

Enhance your meditation with the vibrational frequency of natural stones placed along the spine, corresponding to the seven Chakras.
